

# San Diego Independent Scholars: Membership Information

To new members – welcome, we are pleased that you are joining us in SDIS.

To join, please fill in the requested information - address, phone number, email address and up to three interests -- on the accompanying membership form. We use this form for our internal records and to update our Directory, which is distributed to our members.

The SDIS newsletter, the *Scholar's Notebook*, is published monthly via the website with an email reminder that goes out to all members. Feel free to choose "by mail" if there are practical reasons for having your newsletter mailed out.

Below is an explanation of UCSD library card procedures and responsibilities. If you sign up for a UCSD library card, you pay only half the cost, because we underwrite it as another benefit for our members. For information about study groups and other activities of SDIS please consult our website at <http://www.sdscholars.org>.

Sincerely,

David E. Parker, Treasurer

## UCSD Library Card Information (Optional)

UCSD Library Cards are available to all SDIS members at \$25 per person.

Library privileges are Level 2, Graduate Student, except for inter-library loan services. For more information about these privileges, contact the library. A pamphlet with complete details is available at the circulation desk. Or you can call 858-534-3336 and press 0 for the operator.

Each new member will be notified by the SDIS treasurer, David E. Parker, regarding the date when that person's card will be available.

To get your library card, go to the circulation desk at the Geisel Library (main library) on the UCSD Campus. Request your Library card as an SDIS member. The librarian will have an SDIS list with your name on it.

NOTE: If your name is not on the library's list and you believe it should be, please do not question the librarian. Contact the SDIS Treasurer, David E. Parker 858-453-6351 [parkerd1954@gmail.com](mailto:parkerd1954@gmail.com) .

You will need to present two forms of ID, e.g., driver's license, passport, credit card or Social Security card. At least one ID must have your picture.

If you have a UCSD library card already, your information will be updated and your card renewed. If you have never had a card, you will need to complete a formal application in addition to presenting your ID.

Your one-year card (Sept through the following Sept) will expire on October 1, at the end of that fiscal year, at which time you can renew it as a continuing SDIS member.
