## How to Get to Our Usual Monthly Meeting Room

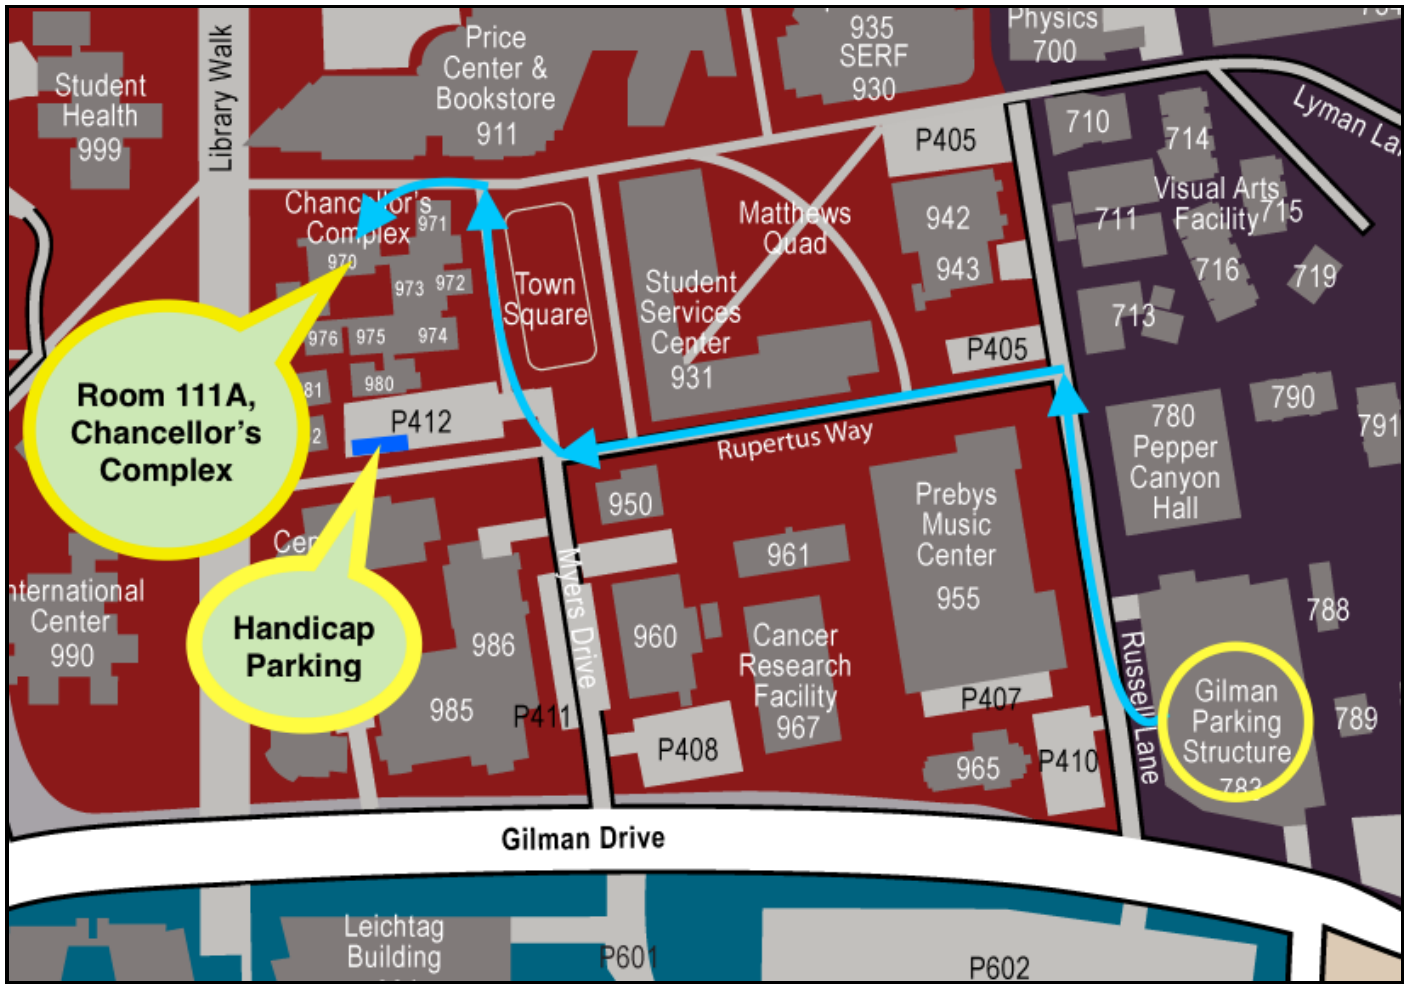

### Getting to the SDIS Monthly Meeting

During the academic year, the SDIS third-Saturday monthly meeting is usually held on the UCSD campus in Room 111A of the Chancellor's Complex. The two maps below show:

1. How to drive to the Gilman Parking Structure on the UCSD campus. Two different routes/entries into the parking structure are shown: (a) heading north on Villa La Jolla Drive, and (b) heading east on Gilman Drive. **Parking is free on Saturdays.**
2. How to walk from the parking structure to the meeting room.

In addition, **handicap parking** is available close to the meeting room. The location of that handicap parking is shown on the second map.
