

UCSD PARKING DIRECTIONS

Enter campus on Gilman Drive. Continue on Gilman, drive past Myers Drive and turn left at the next street, Russell Lane. Gilman Parking Structure is immediately on the right and free on Saturday. Be sure to park on a floor marked for visitors. Walk back to Russell Lane, turn right and walk a short distance to Rupertus Lane (you can only go left), which dead-ends a block away at Myers Drive. Turn right onto Myers Dr and walk to the end. Then turn left onto Lyman Lane, which is where Price Center is. Chancellor's Complex is immediately on the left on Lyman Lane, and directly across from the book store. It's about a 5 minute walk from the parking garage. There is a parking lot behind Chancellor's Complex (off Myers Drive) that you can use if you have a handicap card.
